Presentation Title:

Presenter:

CMPUT 497 - Foundations of Program Analysis

What is your take-away message from the presentation?

Describe one thing that you liked the most about the presentation.

Describe one thing that the presenter can do to improve.

Evaluate the following on a scale from 1 (Poor) to 10 (Excellent).

	Context and Motivation Did the presentation explain the context in which the problem is important, and why it is important?
	Organization Were the points made in a logical sequence? Were the problem and solution identified?
	Content Did the presenter have a good understanding of the topic? Did the project go into depth? How well did the presenter answer questions?
	Clarity Was the presentation (both visual aids and verbal presentation) easy to understand?

Acknowledgment. This presentation peer-review form is an adaptation of the presentation evaluation form used by Ondřej Lhoták in the CS 744 class in the School of Computer Science and at the University of Waterloo (available online at `http://plg.uwaterloo.ca/~olhotak/cs744/preseval.pdf`).
